MINING CONFERENCE

PROGRAM 2020

Welcome to the Mining Family!

We are pleased to bring you one of the best technical conferences in Latin America focused on mining exploration, innovation and development.

This has been a challenging year for Mexico along with the rest of the world, but we are now at the start of an exciting new boom in mining!

Please take the opportunity to visit our Exhibition Area and Core Shack, where we will meet members of exploration teams, and key leaders in technology driving the industry forward in Mexico.

We hope you enjoy your stay in the beautiful, traditional and modern city of Guadalajara and thank you for your participation in Discoveries 2020 Mining Conference.

Douglas Coleman
