PROGRAM 2021

DISCOVERIES 2021 MINING CONFERENCE

OCTOBER 5 - 7
HERMOSILLO
SONORA, MEXICO

WELCOME to the Seventh Edition of the Discoveries Mining Conference, to be held this year in Hermosillo, Sonora, "The Mining Capital of Mexico". Our event is centered around the key elements that make up the ecosystem of the mining industry: Exploration, Innovation, and Development.

We hope you enjoy the warm Sonoran hospitality and comradery of the mining community. Thank you for your participation in Discoveries 2021 Mining Conference!

Douglas B. Coleman
President and CEO
Mexico Mining Center

TUESDAY OCTOBER 5, 2021

08:00 -	**Registration** *"Our mission is to contribute to the responsible and effective development of Mexico's mineral resources, to disseminate valuable information for the mining industry and to promote business."*
10:15 - 10:30	**Douglas Coleman,** President & CEO **Mexico Mining Center** *Introduction and Welcome*
10:30 - 11:00	**Mel Herdrick**, VP Exploration **Sonoro Gold Corp.** *"Geology, Resource, and Economics of the Cerro Caliche Gold Deposit, Sonora Mexico"*
11:00 - 11:15	**Francisco Reyna,** Field Engineer **SPT (Stockholm Precision Tools)** *"The North Seeking Gyro Survey Tool"*
11:15 - 11:45	**Hall Stewart**, Chief Geologist **Mithril Resources Ltd.** *"Using Aircraft, Mules, and Men: Remote-site Exploration at Copalquin, Durango"*
11:45 - 12:15	**Matthew Gray,** President and Founding Partner **Resource Geosciences Inc.** *"Gavilanes Silver Project, San Dimas Municipality, Durango, Mexico"*
12:15 - 12:30	**José Arce,** Manager, Owner **Arce Geofísicos** *"The AGDAS Full-Waveform Distributed Array Induced Polarization System: Design and applications"*
12:30 - 13:00	**Jennifer Burge,** CEO **WorldWise Coaching & Training LLC** *"Your Secret Weapon: Effective Intercultural Communication in Global Mining"*
13:00 - 14:30	**Lunch** **Networking**
14:30 - 15:00	**Rafael Gallardo,** Senior Exploration Manager **Infinitum Copper Inc.** *"An Introduction to Infinitum Copper Corp. and the Adelita Project, Sonora"*
15:00 - 15:15	**Wendolyn Rivera,** GIS Specialist **Datamine** *"Geological Workflow From Exploration to Resource Evaluation and Estimation"*
15:15 - 15:45	**José Molina,** Chief Exploration Geologist **Mexital Mining Corp.** *"The San Leonardo Mine, Saric, Sonora, Mexico: Small and Medium Sized Mining is Possible"*
15:45 - 16:15	**Donn Lovett,** President & CEO **Donn Lovett Agency** *"Canada and Mexico: The Current Relationship with Respect to the Extractive Sector"*
16:15 - 16:30	**Paul Harris,** Editor Latin America **Mining Journal** *"Mining's Sine Qua Non""*
16:30 - 17:00	**Miguel Soto,** Vice President Exploration **Magna Gold Corp.** *"Magna Gold Corp.: A New Tenacious Mexican Exploration and Production Company"*
17:00 - 17:30	**Gustavo Gallego,** Chief Geological Engineer Kootenay Silver Inc. *"La Columba Project: High-Grade Silver Epithermal System, Chihuahua, Mexico"*
17:30 - 18:00	**Jocelyn (Josh) Pelletier**, Chief Geologist **Oroco Resource Corp.** *"Santo Tomas, One of the Most Elongated Porphyry Copper Deposits in the World: When tectonics are in your favor"*

Setting **Higher Standards** In The Drilling Industry

WEDNESDAY OCTOBER 6, 2021

08:00 - 10:00	**Coffee Break**
10:00 - 10:30	**Derek Wood**, Founding Partner **Conduit Capital Advisors** *"Canada's Venture Markets: How to Participate and What to Expect"*
10:30 - 10:45	**Julio Palomino** **HyVista Corporation** *"Integration of HyMap Data with Traditional Geologic Datasets for Advanced Mineral Mapping and Exploration Targeting over Baja California, Mexico"*
10:45 - 11:15	**John-Mark Staude,** President and CEO **Riverside Resources Inc.** *"Mexico: Discoveries, Overview and Future"*
11:15 - 11:30	**Jonathan Rudd,** Founder, Director and President **Dias Geophysical** *"How Innovation at Dias Benefits Exploration"*
11:30 - 11:45	**Ian Graham** **Oroco Resource Corp.** *"Santo Tomás Project, NW Mexico. Continuing Discovery at a Laramide P-Cu"*
11:45 - 12:15	**Eduardo Robles,** Attorney at Law **Tapia, Robles, Cabrera y Moreno S.C.** *"The Most Often-Asked Questions About Mexican Mining Law by Foreign Investors"*
12:15 - 12:30	**Julio Saucedo** **IMDEX** *"IMDEX Solutions: The Importance of Data Quality and Data Management in Structural, Geochemical and Geophysical Surveys"*
12:30 - 13:00	**Dave Jones,** Exploration Manager & Director **Madoro Metals Corp.** *"Big Blows and Their Aftermaths: A hitchhiker's guide to caldera identification and metallization in the emerging Au-Ag polymetallic belt of Oaxaca, Mexico"*
13:00 - 14:30	**Lunch** **Networking**
14:30 - 15:00	**Doug Cavey,** VP Corporate Development **Defiance Silver Corp.**
15:00 - 15:15	**Carlos Martínez Piña,** General Director **Strategic Consultants IGIS** *"TLALI: A Cloud-Based Algorithm Analysing Aster and Landsat Images for Detection of Alteration Zones Related to Ore Deposits"*
15:15 - 15:45	**José Luís Peña,** Project Manager **Silver Viper Minerals Corp.** *"Rediscovering the La Virginia Gold-Silver Project"*
15:45 - 16:15	**Alberto Orozco,** CEO **Capitan Mining Inc.** "Exploration Update of the Peñoles Gold-Silver Project, Durango, Mexico"
16:15 - 16:30	**Lourdes McPherson,** Manager of Corporate Affairs, Communication & Sustainability **Argonaut Gold Inc.** *"The New Social Mining"*
16:30 - 17:00	**Ariel Navarro,** VP Exploration **Reyna Gold Corp.** *"La Gloria Orogenic Gold Project, Sonora"*
17:00 - 17:30	**Macario Rocha Rocha,** Chief Geologist **Sergio Trelles,** Independent Consulting Geologist Benjamin Hill Mining Corp. *"Sonora Gold: A New Discovery of Au-Cu in Sonora with Great Potential"*
17:30 - 18:00	**Charles Funk,** VP Exploration **Vizsla Resources Corp.** "Discovery in the Time of Covid: The Systems and Science that Led to the Napoleon and Tajitos Discoveries at Vizsla Silver's Panuco Project in Sinaloa, Mexico"

Cheese and Wine, October 6, 2021, 6pm.

THURSDAY OCTOBER 7, 2021

08:00 - 10:30	**Coffee Break**
10:30 - 11:00	**Juan López Luque,** Exploration Project Manager **Southern Silver Exploration Corp.** *"The Cerro Las Minitas Property, Durango State, Mexico"*
11:00 - 11:15	**Cristal Palafox,** Senior Spectral Geologist **CoreScan** *"Characterization of Mineralogy and Skarn Texture Using Hyperspectral Images of Drill Core: Essential Data for an Accurate Geometallurgical Evaluation"*
11:15 - 11:45	**Trevor Woolfe,** VP Corporate Development **GR Silver Mining Ltd.** *"Plomosas Project: A Case for Further Resource Expansion in Mexico"*
11:45 - 12:15	**Alfonso Martínez,** Director of Exploration **Grupo México, S.A.B. de C.V.** "Reflections on COVID-19: The Energy Transition and Copper"
12:15 - 12:30	**Melinda Moore,** CEO **Clean Resources Pte. Ltd.** *"Fashioning Metals of the Future - Introducing Clean Mining's 3 Transformative Technologies"*
12:30 - 13:00	**Michael Feinstein,** General Manager **Mineoro Exploraciones, S.A. de C.V.** *"Precious Metal Endowment of the Back-Arc: Gold-Silver Mineralization Within a World-Class CRD Belt"*
13:00 – 14:30	**Lunch**
14:30 - 15:00	**Chris Osterman,** President **Phoenix Silver Corporation** *"417 Project, Globe, Gila County, Arizona"*
15:00 - 15:15	**Johannes Horner**, Consulting Structural Geologist **Recon-Struct Geologic Consulting, Austria** *"From Exploration to Production: Ground Risk as Potential Pitfall of a Successful Start of Operation"*
15:15 - 15:45	**René Ramírez,** Senior Exploration Manager **Reyna Silver Corp.** *"Overview of Reyna Silver Corp.: Exploration Company With Robust Portfolio"*
15:45 - 16:00	**Salvador Ascencio**, Geological Consultant **Datamine** *"Evaluation of Uncertainty in the Estimation of Resources Using Stochastic Models"*
16:00 - 16:30	**Erika Sweeney,** Manager of Exploration Projects and Corporate Development Riverside Resources Inc. *"Delegating Generative Exploration: Cost and Time Efficiency"*
16:30 - 17:00	**Steve Maynard,** VP Exploration **Minaurum Gold, Inc.** *"Minaurum Gold's Alamos Project – Exploration and Geology"*
